To Whom It May Concern,

The Grange Manor Hotel has been using Book A Piper for over five years now.

Pipers are always on time, friendly, professional and willing to help. The feedback I get from bride and grooms is always very positive as they find nothing is too much trouble for Book A Piper.

I can confidently recommend Book A Piper as a solid and reliable supplier, and experts in their field and I look forward to working with them as a supplier in the future.

Yours Faithfully,

Lindsey Randall
General Manager
